CRREL Engineers Invited Speakers at Joint Engineering Society Conference

Two CRREL engineers were invited speakers at the 5th Annual New Hampshire Joint Engineering Societies Annual Conference on 6 Oct., in Manchester, NH. The Joint Societies include the New Hampshire Sections and Chapters of the American Society of Civil Engineers (ASCE), the Institute of Electrical and Electronics Engineers (IEEE), the American Council of Engineering Companies (ACEC), the National Society of Professional Engineers (NSPE), the National Council of Structural Engineers Associations (NCSEA), and the Society of Women Engineers (SWE). The theme of the conference was "Sustaining our Future". Dr. Sally Shoop gave a presentation entitled "Sustainability of Military Training Lands in Alaska" and Dr. Jon Zufelt (CRREL Alaska Research Office Anchorage) gave a presentation entitled "Permeable Pavements in Cold Regions".
